Dear TestPamela TestWells,

As part of your AllCare Advantage Medicare plan, we're pleased to welcome you into our Medication Therapy Management (MTM) program. Because you meet the program criteria based on the number of medications you take, the number of health conditions you have, and your annual prescription costs, you've automatically qualified for this important program. ***There is no cost to participate.***

What can MTM do for you?

- Address any questions or problems you have about your medications
- Address any concerns you have, such as cost issues, side effects or drug interactions
- Provide advice on how to get the most benefit from the drugs you take
- Provide guidance on topics to discuss with your provider

What do you receive when participating?

- Access to a licensed pharmacist who will review all your prescription and over-the-counter medications
- A To-Do List of the pharmacist's recommendations to review with your provider
- A Personal Medication List to track the medications you take and why they're used

Want to participate? Get started now!

To schedule your comprehensive medication review with a myMTMcare pharmacist call 1-866-507-2268

Don't want to participate?

Participation is optional. If you do not wish to participate, call toll-free at 1-866-507-2268 (TTY users should call 711), seven days a week from 8:00 a.m. to 5:00 p.m. PST, Monday through Sunday. You may continue to receive calls throughout the year until a formal request has been processed. If you remain an AllCare Advantage member, you can rejoin the program at any time. You may be offered MTM services again next year if you continue to qualify for the program.

When you complete a review with a myMTMcare pharmacist through our MTM program you will automatically qualify for a gift card in the amount of \$15. Here are your choices:

- fuel-only gift cards (e.g., Chevron, Shell, 76)
- coffee-stands (houses) gift cards (e.g., Starbucks, Dutch Bros)
- restaurant gift cards (e.g., Chipotle Mexican, Panda Express)
- movie theater gift cards (e.g., Cinemark)
- home improvement gift cards (e.g., The Home Depot, Lowes)

After completing your review with a myMTMcare pharmacist, you may qualify for additional gift cards if you are taking certain high blood pressure medications (an angiotensin-converting enzyme inhibitor or angiotensin receptor blocker), and you fill your prescription for a 100-day supply. Please contact AllCare Advantage at the number below for more information.

If you have any questions or do not want to take part in the AllCare Advantage MTM program, please call AllCare Health Customer Care at 541-471-4106 or toll free at 888-460-0185 8:00 a.m. to 8:00 p.m., Monday through Friday.

We look forward to helping you live a healthier life.
Sincerely,

AllCare Advantage
